In continuation of earlier Circular No. D-28/SSHE/Edn. dated 01.04.2022, regarding De-worming Program April 2022 from 1<sup>st</sup> April to 9<sup>th</sup> April 2022. HoS of all NDMC, Navyug and NDMC-Aided schools are requested to submit the school reporting format placed at ANNEXURE-I of National Mass De-worming Day on or before 11.04.2022 without fail to undersigned through mail as well as Hard copy.

**Instructions for distribution of Albendazole tablets upto 09.04.2022:**

**1. Albendazole tablets to students of Nursery, KG, I & II classes.**

Teachers will crush the individual tablets into powder form (using hygienic methods) and mix them in 50 ml of clean water. After lunch, ask the students to drink the solution of the prepared mixture. If students need some more water, they may be allowed.

**2. Albendazole tablets to students of III<sup>rd</sup> and above classes.**

Teachers will provide one albendazole tablet to each student. After lunch, ask the students to take the medicine with clean water.

**3. If the students do not feel well or have some other health problems, the teachers should not force the students, rather the teachers will give advice to the student.**

**4. The medicine should be given after lunch to ensure that the children have had their meal.**
