F.No.-15/TTMS/WIM/SCERT/2022-23/1617   Date: 08-05-2023

To,
Director, Education Department, NDMC
Palika Kendra, New Delhi-110001

Subject: **Requirement of Data for Teachers Training Management System.**

SCERT, Delhi is on the path of building a TTMS platform for conceptualizing, planning, co-ordinating, monitoring and evaluation of the training programs which is under development currently. This platform will consist of a database of profiles of all teachers within the preview of the program.

TTMS is a virtual management information system to streamline and facilitate teacher training and to provide active learning opportunities for teachers across Delhi which includes a teachers database. It is an easy-to-use Mobile Application and TTMS web application and its inclusive Teacher database. TTMS helps to bring complete teachers training and their learning on an online government platform developed by SCERT (an autonomous organization under Government of NCT of Delhi). This database links a teacher's profile directly to the TTMS portal and in this regard complete teacher's data is required.

You are further requested to verify and send the mentioned information of your department:

1. List of all the subjects offered to the students at all levels.
2. List of the designation and roles of teachers/officials working in your department.
3. Teachers' data according to the format attached.

The same may be mailed on the below mentioned E-mail Id:

1. Jdscertdelhi@gmail.com
2. ttmsscertdelhi@gmail.com

Looking forward for your kind consideration and cooperation.

(Dr. Nahar Singh)
Joint Director (Acad.)
SCERT, Delhi
