*Respected Sir,*

Narcotics Control Bureau is the apex national nodal agency for drug law enforcement. The agency has been effectively ensuring implementation of NDPS Act, however, it is worthwhile to mention that the punitive approach is effective only in curbing trafficking of drugs, whereas, the consumption and abuse of drug is increasingly becoming a matter of concern for the nation as the youth of the nation is directly getting affected by this drug menace. Hence, it has been decided by the Narcotics Control Bureau to increase awareness about the ill effects of drug abuse and motivate the nation towards a drug free life.

2. To start with, Narcotics Control Bureau requests your partnership in this social responsibility. You are requested to encourage all government servants in your state to take an anti-drug e-pledge at <https://pledge.mygov.in/fightagainstdrugabuse/> along with all their family members and avail a certificate in his regard.

3. Further, it is requested that the state education department may be directed to ensure that such anti-drug e pledges are invariably taken by all the teachers and students of Schools and Colleges in your state in a mission mode awareness drive. Similarly, other such departments like state Health Department, Social Welfare Department etc. may also be directed to include the session of Anti Drug E Pledge in their awareness drives. Your kind hand holding will be highly appreciated by Narcotics Control Bureau.

*Best wishes,*

Yours faithfully,

  
(Gyaneshwar Singh)  
Dy. Director General (NR)
